

# ASSIGNMENT 1

Develop a sample homepage with html, css which should include banner, image and describe yourself and contact form

```
<html>

  <head>

    <title>

IBM ASSISMENT 1

    </title>

    <link rel="stylesheet" href="main.css">

    <link rel="stylesheet" href=".js">

  </head>

  <body>

    <div id="prof">

      

      <div class="content">

        <p id="name">

          Hemapriya J</p>

        <h4 id="des">

          Front-End Devolper

        </h4>

        <a href="HEMAPRIYA J.pdf" download id="cv"><button name="download">DOWNLOAD
CV</button></a>

      </div>

    </div>

  </div>

  <br/>
```

```
<div class="abb">
```

```
<div class="about">
```

```
<h1 id="ab0">ABOUT</h1>
```

```
<p id="ab1">
```

```
Hi, I am HEMAPRIYA J Studing B.E ECE (final year )  
in Misrimal Navajee Munoth Jain Engineering College,  
I am well skilled in Front-end developer and  
Beginner in coding Languages like Python, C and  
I work an interen on Graphic Designer  
for 3 months in NEODOCT</p>
```

```
<br><br> </div>
```

```
<div class="pf">
```

<textarea id="subject" name="subject" placeholder="Write something.." style="height:30px"></textarea>

<center><input type="submit" value="Submit">

</center>

# OUTPUT:

The screenshot displays a web browser window with a resume page and its developer tools. The browser's address bar shows the file path `C:/Users/ELCOT/Documents/resume.html`. The resume page, titled "Fwd: ... - hemapriyajayachandran", features a profile picture, a "Front-End Developer" title, and sections for "ABOUT", "PERSONAL INFORMATION", "CODING KNOWLEDGE", and "CERTIFICATES". The "ABOUT" section describes the user as a final-year student at Marimall Navagrah Manohar Jain Engineering College, skilled in front-end development and languages like Python, C, and JavaScript. The "PERSONAL INFORMATION" section lists age (21), email, phone, country (India), and hobby (drawing crafts). The "CODING KNOWLEDGE" section includes a table with columns for "Proficiency", "Languages", "Frameworks", "Tools", and "Others". The "CERTIFICATES" section lists "INTERNSHIP AT JAINIA" and "JAINIA SCHOOL".

The developer tools on the right show the "Elements" panel with the following HTML structure:

```
<html>
  <head>...</head>
  <body>
    <div id="prof">...</div>
    <br>
    <div class="abb">
      <div class="about">...</div>
      <div class="pf">...</div>
    </div>
    <div class="div2">...</div>
  </body>
</html>
```

The "Styles" panel shows the default user agent style for the `div` element:

```
div {
  display: block;
}
```

The "Computed" panel shows a box model diagram for the selected `div` element, with dimensions of 964x421.438.
